13-17 June 2022 - Summer School
LUMSA University

Law, Economics and Ethics of Markets and Regulation

Economic policy navigates the perilous waters between market and regulatory failures. The LUMSA-FC Summer school will examine the ever-evolving relationship between markets and regulation in the context of the technological changes that have transformed markets in recent decades and with special emphasis on the new regulatory instruments that have been introduced to respond to these changes—from sophisticated incentive structures to nudging.

Speakers

Luigino Bruni
Cathleen Johnson
Saura Masconale
Antonio Nicita
Laura Palazzani

Federico Raimondi Slepai
Mary L. Rigdon
Matteo Rizzolli
David Schmitz
Simone M. Sepe
